**Instructions**

*See: https://dsc-capstone.github.io/assignments/quarter-2-project/#report (Links to an external site.)*

*Please write in the assignment comments:*

*If the report should be considered the "primary" or "secondary" output for your project (as described in the syllabus). For most groups, you will write 'primary'. If the report is considered "secondary output", then please also include the URL to your primary output (code repo url or website url) for reference. Write what topics each group member was responsible for.*
*Speak with your domain mentor about specific expectations!*

**Wesley (Incomplete Version)**

This report is a secondary output for my project. The primary output is
https://github.com/UCSD-E4E/Pyrenote. The specific pull requests I have worked on are
https://github.com/UCSD-E4E/Pyrenote/pull/264, https://github.com/UCSD-E4E/Pyrenote/pull/266,
https://github.com/UCSD-E4E/Pyrenote/pull/241.

**Dylan (Incomplete Version)**
